### Key knowledge to know and use

- Throughout his life Jesus told parables to help the people understand what the Kingdom of God was like and to invite people to join his kingdom.
- In the parable of the Unforgiving Son a young man was given his inheritance by his father but when a great famine came he lost all of his money and he went back to his father who forgave him and welcomed him. In this, Jesus taught that forgiving people is at the heart of what it is to be part of God's kingdom.
- By acting as Jesus told them to, Christians believe that they will have Salvation.
