## English The Killer Cat

Is Tuffy really a killer ? or Can he not help it?

The children in Year 3 listened to the story up to Saturday night and then had to write the next adventure that Tuffy went on. Is he meaning to hurt the poor animals? Or upset Ellie again?

The children have thought about what and how the next event happened and how the adults and Ellie have reacted. Please read them and think is Tuffy really guilty? Is he a Killer?
