Art

For our first half term of Art, Y5 have focused on sculptures. We have enjoyed finding out what sculptures are and studied 2 sculptors in particular. We recreated our own versions of the work of Barbara Hepworth and Henry Moore using clay. We looked at Family of Man by Barbara Hepworth and created an abstract sculpture based on this. We then created a semi abstract, reclining figure using Henry Moore's ideas. Finally, we used both ideas to create our final piece and evaluate it.
