What A Wonderful Term

The children this term have really enjoyed many activities from the Greek Day through to European Day of Languages. To add to this, the children have enjoyed making puppets in Year 3 based on the Stone Age topic and learning about our distant ancestors, whilst the Year 4 children drew some amazing portraits that gave us an insight into their lives. Finally a massive thank you from the Year 3 team to Alexandra Kerr for coming in to school to share her expertise as an illustrator, the children loved it .

Mr Robinson and the whole LKS2 team

Upcoming Dates

We have some amazing activities for you as parents to attend. On Monday 16th December, we would love to invite you all into school to attend our annual Carol Concert. Along with this year 4s will also be showcasing their amazing sewing of Christmas decorations, along with a selection of writing from this half term. On Friday 13th December, Year 3s will be presenting a Dance Showcase, that we have worked on weekly in PE Session with the help of Abigail. More details to follow for each date.

Staffing

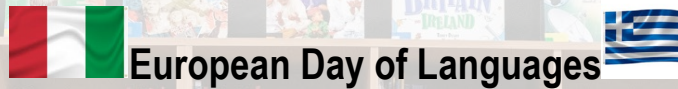

This term we say a really sad goodbye to a much loved member of staff- Mrs Mckay. She has been a ray of sunshine with her upbeat manner and love of the job and I speak for the children and staff in saying you will be missed and good luck with your outdoor adventures.

This term we also said a goodbye to Miss Stuchbury, who had worked with Y3 and Y4 this year. We thank her and wish her well in her new adventures. Good luck!

Sport opportunities

The children have had the best time taking part in all the sporting opportunities, including Year 4 Handball at Handsworth Grange. You were brilliant and learned very quickly how to play the game – well done! Also, we were proud of the brilliant teamwork by the Girls' football teams from Year 3 and Year 4. A massive thank you to the parents for supporting the children and thanks to Miss Jones, Mrs Barton and Mrs Mitchell for supporting the children at these events.

European Day of Languages

The children always love this day and as ever they learnt a great deal. Year 3 children learnt all about Greece, and for Year 4 it was all things Italian. Both year groups enjoyed learning the language (including greetings, colours & numbers) and loved the food tasting.

Greek Day Year 4

Greek Day was a roaring success and the children really came to the party, with no child saying it was all greek to them. The day began with children coming in costume and experiencing some of the things that the Greeks did . This included an Olympic PE session and an opportunity through virtual reality to enter into the Ancient Greek world.

Courtside Tennis

This half term we have been lucky enough to have had the opportunity to play a little tennis with Reuben from Courtside Tennis. He came into assembly to explain why the sessions were put on and explain that if children want to play tennis, on a pay and play basis that they can come down to Millhouse Park on a Saturday morning to join in the sessions. Please use the QR link to book beforehand:

See you soon

We hope your children have loved this term and you and your families will have a wonderful festive break.

We thank you for your continued support for your child and school , as this makes the job a pleasure to do.

We hope to see the children refreshed, happy and ready to learn when we come back in January. Enjoy the break and from all the Year 3 and Year 4 team.

MERRY CHRISTMAS and HAPPY HOLIDAYS!
