

Abbey Lane Primary School

Spring Y5&6 2024-25 Review

There's been plenty going on this Spring Term at Abbey Lane. We can't believe we're now 2/3 of the way through the academic year! Check out some of the highlights from both Year 5 and 6 below.

Year 5

This term our DT unit was Pastry! We loved researching, designing and most importantly evaluating (tasting!) pastry products.

We had the privilege of welcoming the 'Wonderdome' to Abbey Lane Primary! We loved learning all about the Solar System – the interactive presentations were incredible.

World Book Day in Y5. Dressing up as characters from our favourite stories and spending the day exploring a variety of books was great fun!

We thoroughly enjoyed our Music unit this term – learning to play the Ukelele! We practised chords and did a final performance, in groups, for the class to watch.

Year 6

Our trip to the National Holocaust Museum was a great way to enable the children to really try and empathise with the atrocities of the Holocaust. Comments were made by our group guides about how respectful and sensible the children were during the visit.

A fantastic way to end the term was our 1940s Day! We'd learned all about World War 2 in English, Reading and History; bringing it all together with a dress up day, full of creative tasks and dancing!

We loved World Book Day in Y6! A final chance to dress up as our favourite fictional (or non-fictional!) characters before the children heads off to secondary school.

We very much enjoyed coach Rueben visiting Abbey Lane and treating us to some tennis lessons. We had a great time rallying back and forth!
