

# RE Autumn

## Year 4 – Inspirational people in today's world

### Key vocabulary to remember and use in your learning

Word	Definition
prophet	A person considered as an inspired teacher of the will of God.
disciple	-A personal follower of Jesus. -A follower or pupil of an inspirational leader or teacher.
<b>influential</b>	<b>Having great influence on someone or something.</b>
activist	A person who campaigns to bring about change.
civil rights	The rights of people for freedom and equality.
<b>parable</b>	<b>A simple story used to teach a lesson.</b>
<b>wisdom</b>	<b>The quality of having good knowledge and judgement.</b>
motivational	Promoting willingness to achieve something.

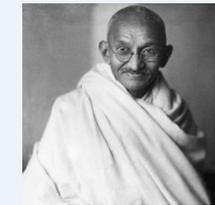

### The Pope

The head of the Catholic church. Popes are elected and then remain pope until they resign or pass away. The pope travels around the world preaching. He is the only person in the world who runs a country and a religion at the same time!

### Ghandi

One of the most famous leaders and champions for justice in the world! He was a civil rights leader best known for arranging non-violent civil rights protests. Many other civil rights leaders have followed his belief for non-violence such as Martin Luther King.

### Key knowledge to know and use

- People can be seen as inspirational for lots of different reasons.
- Many inspirational people have faced challenges in their lives, this made them more determined to help and inspire people.
- Lots of inspirational people campaign to make changes for example, Ghandi and Martin Luther King.
- You do not have to follow a religion to find someone inspiring, many inspirational people in today's world are not religious.
- Inspirational people are not all the same, they all have different qualities and people look to them for wisdom for lots of different reasons.
