

## Year 1 Website Photos for Spring 1

In Art, we have been learning how to do printing with repeating patterns. We have taken inspiration from the very famous artist Orla Kiely. We had a go at printing onto fabric with stamps and paint. We used shapes that had a nature theme, similar to Orla Kiely's designs. We also thought really carefully about using contrasting colours. As you can see from this lovely work, children were very mindful not to let the paint smudge!
