

## Year 3 Website Photos

In Spring 2, we continued our learning of Ancient Egypt. We started by looking at Ancient Egyptian writing, known as hieroglyphics. The children had so much fun writing their name in hieroglyphics. Next, we learned all about Egyptian Gods and created top trumps cards for them! Then, we learned all about mummification - which involved the children getting practical by mummifying hot dogs! The children were so interested in the steps of the mummification process, they did a fantastic job. Finally, we learned all about the inside of Egyptian pyramids and even designed our own!

Linking to our DT topic of Pizza, the children wrote a fantastic set of instructions on how to make a pizza! Above is an example of their work. Their instructions included many key features, such as numbered steps, adverbs and even brackets. The instructions were a joy to read as they were so clear and concise. The handwriting was absolutely beautiful too and the work was presented to the highest standard.
