Line and Shape

Robert Delaunay was an artist from France. He was an abstract artist who used shape and colour in his work.

Key knowledge to know and use

Wassily Kandinski was an artist from Russia. Many people think that he was the first abstract artist. He was the first painter to stop painting pictures of things and instead paint just using colours and shapes. Often Kandinsky would listen to music while he painted and try to paint what he heard.

Artists use different tools to create their work. Thick crayons can be used to draw wider lines, and to fill in large spaces with colour. Thin crayons can help to create more detail in drawing.

Artists use different tools to create their work. Pencils can draw outlines, whilst crayons (wax and pencil) can add colour.
