Frida Kahlo produced self-portraits that expressed something about herself. Frida used many bright colours in her self-portraits which reminded her of the vibrant colours of the hot country where she lived. She was very proud of her Mexican heritage.

## Self-Portraits

Artists use different types of lines in their artwork. This is known as mark-making.

### Key knowledge to know and use

Frida Kahlo is considered to be one of the most important artists of modern times. She was famous for painting self-portraits but she was also famous for painting women as strong people.

Frida is well known for wearing bright colours, jewellery and flowers in her hair. She also included lots of tropical flowers and animals, such as monkeys and birds.

Artists use pencils, pastels and chalks to add colour and interest in their artwork.
