

## Summer 2- The Deep Blue Sea/ Pirates

### PSED

This term we will be getting ready for Y1. We will visit our new classroom and our new teacher will visit us. We will talk about the similarities and differences between FS2 and Y1 and learn about the new routines.

We will be encouraged to work independently in all areas of the classroom in preparation for September.

### Expressive Arts and Design

This term will focus on using our imagination in role and with small world toys. We will use props and materials to play characters and invent our own stories.

In Music we will explore pitch. We will also learn and sing a selection of nursery rhymes and songs.

In our classroom provision we will continue to develop our painting, drawing and making skills. We will also have a go at sewing.

### Communication and Language

This term we will be developing our communication and language skills using a variety of fiction and non-fiction texts linked to the deep blue sea and pirates. We will be joining in whole class discussions and asking questions. We will confidently express our thoughts and feelings and learn and use new vocabulary. We will listen attentively to others.

### Maths

This term we will be focusing on doubling and sharing. We will look at odd and even numbers. We will also solve problems and develop our spatial reasoning skills.

### Literacy

This term we will be listening to stories about animals and creatures under the sea. We will be using non-fiction books to find out about different creatures and plants as well as pirates. We will continue with our daily 'Little Wandle' Phonics sessions, focussing on Phase 4. We will use our developing skills to write simple sentences that can be read by others. We will continue to develop our reading and comprehension skills through our weekly reading sessions.

### Physical Development

This term in P.E. we will move energetically outside. Rigger-Eds will be leading some sessions. We will play games that involve running, jumping, dancing, hopping and skipping and we will work with apparatus. We will also take part in Sports Day.

In our fine motor area of development, we will continue with our handwriting sessions focussing on correct letter formation. We will also further develop our precision when using small tools.

### Understanding of the World

This term we will explore the natural world by looking closely at the environment and animal life under the sea. We will also explore how the environment is changing all around us in the summer.

We will learn about characters from the past when thinking about pirates and make and use our own treasure maps.
