

Year 5 Autumn 2 Website photographs

We linked our writing to our History topic of Anglo - Saxons last term and wrote diaries as a young child. We had to research a typical day in their life and think about how they would feel completing the daily tasks they were required to do. We then wrote them up in neat and stained them to make them look old!

We really enjoyed our Badminton lessons in PE. We went to Abbeydale and learnt new skills each week. Firstly, we learnt to play the Keep Uppy game and worked on our targets each week. We also learnt how to do a forehand serve and practise it in a rally.
