In this addition we are celebrating World Book Day. We have drawn the character that we have dressed up as and written a character description.

Frances' Character

Podkin One-Ear is a brave, courageous rabbit, with one ear, as he lost the other one trying to save him and his siblings. He wears a green cloak and carries a dagger in his belt at all times. But when his warren is attacked by Gorm – the most terrifying threat to rabbit kind – Podkin has to step up and so a leader is born.

Noah's Character

Christiano Ronaldo has black hair, brown eyes and is quite tall with light skin.

Ronaldo is a skilful football player but mardy when he loses.

Ronaldo is confident and one of the fittest football players ever.

Ronaldo was born in Funchal, Maderia, Portugal and his nationality is Portuguese.

He has also set a record for the highest jump when at Juventus and Al-nassar is his current club.

Evie's Character

The Baby-Sitters Club: Mary Anne

By Raina Telgemeier

Mary Anne is a shy but smart girl, whose best friend is Kristy Thomas. She wears white, knee-high socks, a grey skirt, white trainers and a white blouse. She is never mean, always helpful and the secretary of the club. Alongside that, she is great with kids; she is perfect for the club.

Will's Character

Pie Face (Peter is his real name) has got glasses, brown hair and a love of pies, that's why his friends call him Pie Face. He also has a pet potato called Paul. Pie face says Paul is very clever but no-one has ever heard him speak.

I chose Pie Face because he is a nice friend.

Florrie's Character

Marinka is a pretty, young girl with dark hair. She wears a comfortable, soft dress and has a beautiful belt. When she goes outside, Marinka wears a warm, patterned headscarf that was her Baba's. The patterns on it were old, folk patterns (like flowers). Marinka is bold, courageous and never gives up. Since Marinka's house is on chicken legs, it moves a lot. She has always wished for enough time to make friends but the house has other plans. Marinka is very adventurous and wants to travel the world with her pet jackdaw. (His name is Jack.) Did you know that Marinka learned how to swim by getting pushed into a pool nu the house? When Marinka's house stopped at some places, she made friends called Benjamin and Salma. Her house is a yoga house so every night she must put out the bone fence welcome the dead.

Anna's Character

I am dressing up at Darrell from The Mallory Towers series.

She has short, brown hair and her school uniform is a brown tunic, with a brown hat and orange tie and white stockings.

Her personality is kind and loyal. She loves sport and has a sister called Felicity. She can also get bad tempers.

She likes it when her friend plays tricks on the teachers.
